

Shared Pool

Soumis par OCA

19-03-2008

Dernière mise à jour: 15-04-2008

- stores most recently used SQL statements and data definitions
- sized by SHARED_POOL_SIZE initialization parameter

```
ALTER SYSTEM SET
```

```
SHARED_POOL_SIZE = 64M;
```

dynamically resizes the Shared Pool (default 16M)
